## Star Time BYU' Group Selected To Make Tour

THE TOUR will include American armed forces installations in Iceland, Greenland, Newfoundland, and Labrador.

## Distribution Date Set

## Course Planned For Bishops

Visiting Bishops and Stake Presidents on the BYU campus Thursday were informed of an advance genealogical research seminar for all Church stakes and wards personnel to be held here in August.

THE SEMINAR, slated for Aug. 8 to 13, will be directed by David H. Wright, BYU Instructor in genealogy, research and technology. They will cover advanced research methods and procedures in British and North American genealogical sources during the sessions.

Wright said that each stake could send at least two representatives and that the registration fee would be \$8, including the price of a technical research manual.

THE SEMINAR will include information to assist ward and stake genealogy leaders in selecting appropriate instructional materials, Wright said, as well as proper research works for branch library operation.

Because of budgetary restrictions caused by the Viet Nam conflict, only 10 of the BYU troupe will make the trip. The ten will embark from McGuire Air Force Base in New Jersey on or about July 5 and will return about one month later.

WHILE IN THE IN BUDWEISER, "BYU" will perform about 20 shows, according to James Lawrence, director of the BYU Program Bureau.

The group will be led by Miss Jane Thompson, organizer of BYU student programs. Miss Thompson stated that she was not sure which ten persons will be making the trip.

A LETTER received from the Department of the Army stated that the area of the North East area has proved to be especially welcome due to the remoteness and isolation of the installations. Entertainment units always find the area to be a most challenging and rewarding one and we feel that the servicemen there would be the most appreciative of such an outstanding show as BYU has always presented." The letter was signed by Major General J. C. Lambert, Adjutant General of the Department of the Army.

This will be the eleventh BYU tour abroad. The Dramatic Arts Dept. will play to the Orient twice, the International Folk Dancers toured Europe in 1965 and are scheduled in 1966; "Curtain-time USA" toured the Middle East last year; shows have gone to the Orient four times and Europe once.

The contest is open to all with previous application. The cakes will be judged on texture and flavor. They may be baked in any shape, contest chairman emphasized.

A \$15 prize is offered the winning entry.

# Buddhists Boycott Truce Meet

IGON, (AP)—Buddhists boy-  
cotted a roundtable discussion cal-  
led by the military government  
Tuesday to seek a political solu-  
tion of their complaints. About  
10,000 marched peacefully in  
Hue.

**THERE WAS** talk of progress in  
negotiations.

But confusion as to tactics, goals  
and even the hour-to-hour develop-

ments clouded the crisis menacing  
both Premier Nguyen Cao Ky's  
regime and the Allied war effort.

**THOUGH THE** chairman of the  
Buddhist Institute, Thich Tam  
Chau, has counseled moderation,  
young monks whistled 1,000 youths  
into a destructive rampage through  
the heart of the city. They wrecked  
the newspaper Song and burned  
motor bikes in the street.

Vietnamese paratroopers blocked  
a night march of a jeering, stone-  
throwing crowd of 2,000 by confin-  
ing them to the Buddhist Institute  
compound and nearby streets.  
They hurled tear gas grenades and  
fired rifles over the heads of the  
crowd to hold the line.

**SEVEN BUDDHIST** representatives  
were among 30 people from  
various religious, civic and political  
groups invited to a meeting to  
discuss the calling of a national  
assembly to draw up the document of a constitution.  
But only the other 23 showed up  
in response to the invitation extended  
by the Roman Catholic  
chief of state, Lt. Gen. Nguyen Van  
Thieu.

## June Draft Slashed

WASHINGTON, (AP)—The Defense Department an-  
nounced Wednesday a June draft call slashed to the lowest  
since the Viet Nam build-up began last August.  
It selected Serviceable to induct 15,000 young men in  
all, for the Army.  
This is less than half the May draft quota of 34,600 and  
lowest since the 16,500 last August.

## House Democrats Rebel

WASHINGTON, (AP)—Twenty-six House Democrats  
decided to withhold their names in future leadership  
elections prior to votes on pending bills. Speaker John W.  
Waxman, D-Mass., blamed the situation on a misunder-  
standing.

The 26, representing western states except California  
and Hawaii, notified McCormick by letter that hereafter they  
supply a numerical report on how they feel about bills  
won't identify individuals.

## Britain May Blockade Rhodesia

LONDON, (AP)—Britain Wednesday advised 20 Commonwealth states it is considering a compulsory world trade  
embargo on rebellious Rhodesia.

A decision on this major shift in British policy may hang  
the outcome of current efforts by private Greek, Rhodesian,  
South African and Portuguese interests to break the  
unary oil embargo imposed on Rhodesia by the U.N.  
Security Council.

## U Thant Asks Unified Viet Nam

UNITED NATIONS, N.Y., (AP)—Secretary-General U  
Thant said Wednesday that the United States and Red China  
should guarantee the status of a unified and neutral Viet  
Nam.

## Marines Smash Red Complex

SAIGON, (AP)—U.S. Marines  
smashed a huge Viet Cong  
complex 18 miles southeast of Saigon  
in Operation Jackstay, a  
general announced Wednesday.  
Days later moved the leather-  
backs five miles closer to the cap-  
ital in their drive to free Saigon  
from共产党掌握。

**ED CAMP**, stores and hos-  
pitals were reported destroyed.  
Elsewhere elements of two Ameri-  
can infantry divisions were ac-  
tive in the Viet Cong strongholds at  
Tuy Province, 55 miles east  
of Saigon, and Tay Ninh Province,  
miles northwest of the city,  
and weather returned over North

Nam Tuesday, but U.S. Air  
Force and Navy pilots flew 47  
missions.

# Frosh Baseball Team Trounces Snow

## 16-0 In Successful Season Opener

by Bob Montgomery  
University Sportswriter

The 1966 Froshman baseball team opened its season with a bang as they beat the visiting Snow College 16-0 in the first game of a doubleheader played Saturday afternoon.

**STARTING PITCHER** Gary Sauer hurled four solid innings, both giving up only one walk. He was relieved in the fifth inning by Rick Brown who continued the no-hit streak for the final three innings.

Third baseman Gerald Gordon led in the hitting department as he tapped out four hits, including one home run. Setup man Bill Brink added a sensational timely hit. Center fielder Rich Dixon also belted a four-bagger.

**PITCHER KEN CROSBY** started

on the mound for the second game. He was relieved in the fifth inning by Duane Gustafson who struck out 9 of 11 batters.

Left fielder Marv Maxwell and first sacker Lynn Patterson came through with the hitting power.

**THE KITTENS** are coached by Don Willardson and Jim Berry, both from Roosevelt. Coach Willardson played infield and coach Berry performed as a catcher on the 1965 varsity team.

According to coach Willardson the Kittens possess overall depth with good pitching and fair hitting power. These assets, combined with good defense and fair speed, make the season's prospects appear favorable.

**ACCOUNTING FOR** the pitching power are hurlers Gary Sauer, a

left hander, who coach Willardson described as "one of the best prospects"; Rick Brown, a right hander; Duane Gustafson, a left hander; and Ken Crosby, another right hander.

Rounding out the pitching staff are Larry Romney, Rick Kelly, Larry Allen, and Bruce O'Reilly.

**THIRD BASEMAN** Gerald Gordon, tagged by Coach Willardson as the best third baseman headers, heads the infield list. He is backed up on third by Jack McRae.

Shortstop is occupied by Lee Berge and Dick Merkley.

Randy Olsen and Wally Rugg hold down second base duties. Pete Dynets and Lynn Patterson play first base, and the catchers are Bill Brink and Bob Gaibraith.

In the outfield are Craig Bozish and Mike McElroy in left field; Richard Dixon and Eddie Baltz in center, and Dale Lepper and Mike Rice in right field.

**FOCUS ON SPORTS**  
**Catch A Beau**  
**With Good Lir**  
by Stan Hooper  
Sports Editor

I've said it before and maybe I'm not too far off if I say it again. Fishing is like courting in more ways than one.

It's great sport, to be sure, and maybe even a sport than it is a food source. At any rate, how most of us fisherman—and courters too—use a line and a pretty lure.

When one of those beauties out there flounders around just looking for the hook grabs our bait, put up quite a fight and it's a keen battle of wits—against animal.

### Throw 'Em Back Or You'll Have To Clean 'Em

But finally, if the line is good enough, the fish and, as we haul her aboard, we realize that it's been release the hook and throw her back—for if we throw her, sure as heck, we'll have to clean it.

Fishing, they say, is a chance to wash one's self with pure air, with the ripple of the stream and the shimmer of the sun on the blue waters.

It brings meekness and inspiration from the wonder of nature, and charity towards the makers. It brings mockery of profits; the quiet hate and lift of the spirit. And it brings rejoicing we do not have to decide a darned thing until week . . .

### That Faraway Lake In Their Eyes

An Assyrian tablet of 2000 B.C. says:

THE GODS DO NOT SUBTRACT  
FROM THE ALLOTTED SPAN OF MEN'S LIVES  
THE HOURS SPENT IN FISHING.

Now with fishermen beginning to get that far lake in their eyes we know that spring has arrived. On April 16 the 1966 fishing license are due on sale. Most BYU students will have been on ear long enough to procure a resident fishing license. At the same time they may want to purchase a day for next fall. Students, however, may not claim dene in more than one state.

The new resident licenses will cost \$3.50 and a resident license will go for only \$1.00.

Only? Yes. What's one of us either forget or to recognize is that a fishing license is just about biggest bargain on today's market. A \$3.50 license, a \$5 license would be a bargain and a \$10 license is an honest value.

### Pay Only Once For 365 Days Of Fun

For most recreation you pay plenty per hour or on a fishing license you can have fun as many days as you like—and stand a chance of bring some meat or braggin' trophies.

Fishing is one of the few sports in which you participate all year—and pay for only once—and the few that yields anything besides exercise.

Take golf. Eighteen holes of golf costs about an afternoon of exercise.

Take bowing. Three lines of bowing costs about, unless in a group, lasts about an hour.

Take skiing. A day's skiing costs about \$3. Moviegoers spend about \$1.25 for two hours entertainment.

Now the same guys that grumble about a \$4 fishing license think nothing of spending a couple bucks at the pizzeria on the way home from a date.

### A Freezer Filled With Pike

Most fishermen enjoy their day even if they catch anything. If they do catch something, then becomes gravy. How about the guy who gets his or close to it every other time he goes out? The guy stocks a freezer with filleted pike until it won't hold more and then gives the rest of his catch friends?

Many students will be spending \$3.50 in the couple of weeks on a fishing license and they'll be about half of their Saturday's trying for the \$3.50 worth of fun trying.

And after that first Saturday, there are 36 left that they can have fun on their three and a half bucks.

## For Mothers Only

About this time each year children everywhere face a major decision: what to give Mom on her day?

They fret and talk about it and try hard to think of something extra-special but—let's face it—often the gifts you receive on Mother's Day don't fit, don't flatter or simply don't matter.

This year why not give your children a gentle hint? They never dream that you really want good portraits of themselves and the children.

Say the word and we'll drop the hint for you. The result could be the perfect solution to a problem, a new meaning for Mother's Day and pleasure for us all.

First annual watershow will be entertaining as well as colorful as coeds here perform "ballet legs" to Flower Song. There will be no admission charge for spectators.

## Shimmers Depict Stars

"Mackeral here Andy!" There'll be no mackeral in this annual synchronized coed show, set for Thursday May in the Richards' Photocopying Bldg. Natatorium, as the theme, "Backstage," the BYU synchronized coed club will perform precision-ballet to familiar themes of regular Broadway stage pro-

"Alabam" farmers and their hollie ladies will be dancing in the water. "Pete and his shadow" swing a lasso around the ladies of "My Fair South Pacific." "Flower Song," "Carousel," and "Music" represent their colorful costumes, brill-

iant lighting and precision swimming.

Meanwhile, "Hello Dolly" performs from another Broadway classic. Karen Taylor swims to the "King and I" the chimney sweeps from "Mary Poppins" sweep the deck and try their luck in the pool.

Even the stagehands get into the act as they clown around on the diving boards, while the pros show them how it should be done.

The lights of Broadway will be into the water in one number as a trio of coeds perform with lights on their arms and heads in an otherwise darkened natatorium.

"Backstage Broadway" will start at 8 p.m. Thursday and Friday.

Everyone will be on a merry-go-round of coeds execute the colorful precision pin

sorts for the Carousel number as here the wheel float before their Thursday show.

Too big to throw back, these mermaids are fish out of water as they perform Chim-Cheree on the deck before slipping into the pool. Performances begin at 8 p.m. both nights.
